Dear Mr. Welsh:

Subject: California Public Records Act Request No. R19-07 – Request for Catalog of Enterprise Systems and Databases Compiled to Comply with 2015 California Senate Bill 272

This letter is in response to your California Public Records Act (CPRA) request dated January 7, 2019, seeking records from the Los Angeles Department of Water and Power (LADWP) on the subject listed above.

This office has identified records responsive to your request, and they are now available for your review. The responsive records are available online at https://www.ladwp.com/ladwp/faces/ladwp/aboutus/a-financesandreports/a-fr-reports?_adf.ctrl-state=d1igxvoua_4&_afLoop=28546702713037. When you reach the website, click on the link 'Enterprise Systems Catalog.' The records are current as of February 1, 2019.

If you would like the records printed, in accordance with the Los Angeles Administrative Code, the fee for this service is 10 cents per page for standard 8.5 x 11 inch or 8.5 x 14 inch paper with black ink and 25 cents per 11 x 17 inch paper with black ink. Duplication of non-standard items may require additional time. You can request to have these non-standard items mailed at the time your request is placed. Payment, which is due at the time of the request, may be in exact cash or check made payable to the Los Angeles Department of Water and Power.

If you have any additional requests for records, you are encouraged to submit a LADWP CPRA Request Form. Submitting your request on the form helps clarify the records being sought and assists in preparing a response to you. The LADWP CPRA Request Form is available at LADWP.com (click on *About Us / Finances and Reports / Reports*, where you will find a link to the Public Records Request Form), or through the CPRA Clearinghouse by e-mail at CPRA@ladwp.com or (213) 367-4440.

Sincerely,
